BREEDING AGREEMENT

CASH MONEY ODIN AMADEUS**

As owners of the Labrador Retrievers named below, we, the undersigned, consent and agree to the terms consideration and conditions of this agreement for the breeding of:

AKC Number SS06755906 Χ Name of Dam Registration Number As owner of the above-named proven STUD, we agree as follows: a) This STUD will provide Artificial Insemination (AI) Stud Service to this DAM as soon as she indicates physical readiness. An attempt will be made for a second AI within 48 hours. b) Every effort will be made to provide a safe and comfortable environment for the DAM while she is in our care, and (in case of emergency) will have her seen at our veterinarian, Bonners Ferry Vet Clinic. Vet charges for any emergency services will be charged to Dam Owner. c) STUD Owner will provide shelter, care and fresh water for the duration of the DAM's stay. We ask that DAM owner provide enough of the DAMs regular food for the duration of stay to alleviate possible reactions due to sudden change in food. STUD Owner, Ronald E. Campbell Date STUD Owner, Kristen N Campbell Date

a) The fee for this stud service will be \$1,000. A non-refundable boarding fee of \$25 will be paid to the STUD owner at the time of breeding for boarding and handling and is not part of the STUD fee. The STUD owner **may/may not** choose a **male/female** pup from the litter in lieu of payment. If the DAM fails to produce a litter, a rebreed will be given within two (2) years. If the original stud is no longer available for service, the DAM owner may choose any other stud dog, with an equal stud fee, owned by CASH MONEY KENNELS. If the original DAM is no longer available to fulfill the breeding, another DAM may be substituted. There will be no refunds of stud fees.

As owner of the above-named DAM, I (we)

b) The STUD fee can be paid by cash, check or credit/debit card. Credit/Debit Card transactions are subject to a 3% additional charge for fees. Make checks payable to Cash Money Kennels.

- c) The DAM Owner will deliver or send the DAM to the STUD Owner and will leave the DAM in the STUD Owner's care for no longer than three (3) days. The DAM Owner will be responsible for all transportation charges for the DAM to and from the STUD owner's residence.
- d) The DAM Owner will provide any medication or special dietary requirements for the DAM. The DAM Owner will also be responsible for any veterinary fees related to the DAM's breeding or care while in the custody of the STUD owner.
- e) A successful litter is defined as one (1) or more pups born alive and living at least two (2) days. If a successful litter does not occur, the dam will be bred during her next season, provided that the Stud Owner is notified within five (5) days of the failure to whelp. If the second attempt fails, the contract will be considered void.
- f) Prior to breeding, the DAM Owner will provide the STUD Owner copies of the DAM's pedigree.
